.... “Tending Your Roots” may be exactly what you have been looking for !

Over the 6 months you will learn how to:

- Nourish and tend to your roots, ground with Mother Earth.
- Clarify your vision, identify your “choice points”.
- Identify your next “right actions”.
- Create a clear, powerful step-by-step strategy for your life.
- Journey to non-ordinary realities to ask for and receive guidance.
- Identify where you are on your “medicine wheel” of your life.

2 90 minute distance sessions.

2 30 minute check-in calls.

4 15 minute distance healing, balancing and clearing work.

Each 90 minute healing session begins with us speaking on the phone together. We then hang up while I do my distance reading, drumming and healing work. When finished, I will call you back and share what I have seen and received from the reading. You will be given specific guidance, and homework for the week. You will receive a recording of each session. *If you are in a serious health crisis, you will not be asked to do anything on your own that is stressful or taxing! We will tailor the program specifically to meet your needs and healing process. My work can be a powerful support and great addition to any medical treatment or modality you may be involved in!
